secret love beneath the waterfall and there's no room by the pool, there's plenty on the beach. We also had a massage at the spa, the Indian Magic massage was great and the perfect send-off before a 20 hour flight back home."

**Arpan**

"Great food, beautiful beach and lots of friendly staff on hand to help if needed"

**John**

"The breakfast at the Leela was varied and excellent - so many options! Even with a lot of guests, the breakfast area was never packed (although outdoor seating did tend to fill up quick). The beach was warm and pretty calm most days we were there. Lots of lounge chairs were available that we didn't need to rush early in the morning to secure chairs. The pool was nice and big and rarely full of people. The staff at Leela were outstanding and always wore a smile on their face. From check-in to check-out, our stay was amazing. We were taken care of the entire stay and even received a nice anniversary surprise one day (a bottle of champagne and dessert!). It was those thoughtful touches that made our stay amazing."

**Sm**  
Canada

"Well handled place  
Professional staff  
Attention to little details.  
I got early check in room"
